Dear Parents,

Happy New Year! I hope you all had a wonderful holiday and were able to spend some quality time with family and friends. After a bout of Covid before the holidays, it's wonderful to be back. Thank you to Mrs Cross, the leadership team and staff for keeping everything running so smoothly in the run up to Christmas.

I always love the start of the new year and this year is no exception as there is so much to look forward to. Some of you may have heard the incredibly exciting news that Green Meadow Primary School has been named as one of the schools chosen to be part of the Government's School Rebuilding Programme. This is amazing news for the whole community and we will share further information with you as soon as we have it.

On a very different but equally exciting note, work on our brand new Virtual Reality lab in the annexe is about start. This will enhance our curriculum offer in school even more and is another example of the great innovation here at Green Meadow. We will keep you updated with its progress throughout the half term. Watch this space!

Best wishes  
Miss Arrowsmith

NEW
