NORTHFIELD
Community Partnership

This event is brought to you by Northfield Community Partnership, a charity working within the South West Birmingham area to improve lives and opportunities for the local community.

We're getting ready for the best summer ever in Birmingham with the country's biggest holiday activities and food (HAF) programme... so let's Bring it on Brum!

A programme that's helping Birmingham's children, young people and their families have active, fun-filled and healthy school holidays. Part of the government's new nationwide Holiday Activities and Food (HAF) Programme, 'Bring it on Brum!' is the biggest scheme of its kind in the country, and Birmingham City Council in partnership with StreetGames are really excited to bring it to YOU!

Throughout the summer holidays from July 25 to September 2, children aged 4 to 16 will be able to come along to the Bring it on Brum! holiday clubs across the city to help make it a holiday to remember. They'll be able to enjoy all sorts of fun activities for their age group and a tasty meal each day. There will be sports and games, arts and crafts, cookery, dance, music and much more – daily programmes will vary depending on the site and location of each local club.

Everyone deserves a good break and school holidays are better when there's a great choice of things to do to keep young people active, having fun, and learning new things. It's all about making memories, recharging the batteries - and giving parents a bit less to worry about!

The programme is open to families with school-aged children on benefit-related free school meals, and all activities and food are free. Providers will be setting up their holiday clubs in local communities right across the whole of Birmingham so they're within walking distance of those who will benefit most.

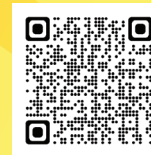

To find out more and to book your child onto a local programme, visit www.bringitonbrum.co.uk or email birminghamholidayactivities@streetgames.org and follow @BringItOnBrum on social media.

Northfield Community Partnership is excited to say that part of the funding for this year's beach events has been provided by the HAF program.

Some of these activities which are funded by HAF are bookable online and are on a first come first serve basis.

These are clearly marked by an Asterix (*) and contained within a yellow box throughout this booklet. We will also be providing a free lunch for children which also needs to be booked through the online form.

We encourage you to book these activities as soon as possible using the links below to avoid disappointment.
