

Week Ending:
Friday 11th March 2022

Dear Parents,

What and amazing weeks it's been with so many things to celebrate! Yesterday, Year 5 went to Ludlow Castle as part of their topic. They loved learning about different parts of the castle and its rich history first hand, and we are all so proud of how well they represented Green Meadow. I received a phone call from the Manager of the staff team at the castle this morning to say how well they behaved and how polite the children were. Thank you to Mrs Cross, Miss Baillie, Mrs White, Mrs Scott-Reid, Mr Moffatt and Miss Kaur (Agency TA) for making the trip so enjoyable for everyone.

Oracy week has been in full swing this week and we have been wowed by how much progress all of the children have made in this area. This was particularly evident in the Year 1 and 4 assemblies which were all wonderful. The children loved sharing their learning with you all and their confidence shone through.

Our focus in parents workshops this half term is Maths. We would like to thank all of you who attended the Year 4 workshops with Mrs Whettell, Mrs Latham and Miss Llarinas. The feedback from those has been really positive with everyone agreeing that they left these lots of fun ideas to work with children at home. Next week will be the Year 5 workshops so we are looking forward to welcoming even more of you into school next week.

Have a great weekend!

Miss Arrowsmith

Diary Dates

Monday 14th March

3:30-4:30pm - Y5 Maths club
3:30-4:30pm - Y1&2 Target games

Tuesday 15th March

2:15pm - Saturn Maths Workshop
3:30-4:30pm - Y1&2 Coding club
3:30-4:30pm - Y5&6 Cricket club

Wednesday 16th March

12:00pm - Y3 coding club
2:15pm - Mars Maths Workshop

Thursday 17th March

3:30-4:30pm - Y6 Maths club
3:30 - 4:30pm - Rec Multiskills club

Friday 18th March

Non-uniform day for Red Nose Day
3:30-4:40pm Y3&4 Football club

Today is the last day for children to bring in their donations for Ukraine. A huge thank you to everyone who has supported the rights respecting steering group at school and donated to the UNICEF'S Ukraine appeal. We have been overwhelmed by your generosity.

One year 2 pupil got it right when they described it as 'a sea of donations'. After we have boxed them all up, they will be heading to the depot for delivery to Poland.

THANKYOU

Red Nose Day

FRIDAY 18TH MARCH 2022

To celebrate Red Nose Day, we are asking children to wear something red to school on Friday 18th March for their non-uniform day. If you wish to donate to the cause, please do so via: Donate | Red Nose Day or by scanning the QR code

PARENT WORKSHOPS

Hello, mathematicians! I hope you're enjoying your daily, marvellous, March challenges. It has been great hearing about what you have done at home with your grown-ups. Keep going! Remember 5 minutes a day makes all the difference.

Just a quick reminder for Year 5 – Parent workshops are next week.

Saturn – Tuesday 15th March 2.15pm

Mars – Wednesday 16th March 2.15pm

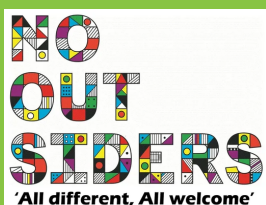

We have got lots of great ideas to share with you so you can support your child with their maths learning at home.

I look forward to seeing you there. Mrs Whettell

No Outsiders

Ask your child to tell you about the stories behind these pictures and how they link to British Values.

Polite Reminders

To keep everyone safe on the playground at the start and end of the day, riding bikes and scooters is not allowed. We encourage you and your child to ride bikes or scooters to school but please remember to push these once you get to the school gates and whilst on school grounds rather than ride them. Thank you for your support

Save the date..

This term's Parents' Evenings will take place on Wednesday 30th March and Thursday 31st March. We are going to continue to offer either a 10 minute telephone appointment or face to face appointment as you feedback how successful this was in the Autumn term. Please look out for more details next week.

Year 6 SAT Week 2022

SAT week for Year 6 is from Monday 9th May to Thursday 12th May and writing assessments take place throughout May and June. If you are a parent of a child in Year 6, please do not book any holidays during this time as it is even more important children in Year 6 are in school every day.

Highlights from the Year 5 trip to Ludlow Castle

Year 5 had an amazing trip to Ludlow Castle yesterday as part of our history topic. We went there to gather information for our non-chronological report about the castle. We will share some of our reports on Twitter next week. We split into three groups and each group looked carefully at the outer bailey, the inner bailey and then we climbed Mortimer's Tower. Miss Arrowsmith challenged us to count the steps on the way to the top- we counted 91 steps. As we gazed up at the battlements we all thought we saw a wispy, white figure gliding along the pathways. Could it be the ghost of Ludlow Castle?
