Dear Parents and Carers,

What an exciting week it has been! Mrs Cross and I have just held the first Hot Chocolate Friday of the new school year and it was wonderful hearing from the children's just how much they have enjoyed exploring different techniques and learning about different artists throughout the week as part of our Art and PD project. Art is clearly a firm favourite of our children in school and they all love having the opportunity to go to the Studio each week for their lessons with Mrs Smith, our Art Specialist at Green Meadow.

Well done to all of the children in Year 1 and Year 3 who represented school superbly well on the first school trips of the year. Year 1 had a great time looking at and comparing the different types of houses and homes in the local area and Year 3 returned from Wroxeter full of fascinating facts that they had learned about Roman life in preparation for their new topic. Your exemplary behaviour did not go unnoticed and I have heard from a number of people what great ambassadors for school you were.

Yesterday was International Day of Democracy and we marked this in school by holding elections in school for the School Council and the Rights Respecting Steering group where all children voted for their new class representatives based on the speeches the children had prepared. I can't wait to meet with both groups next week to hear their ideas. We are keen to develop pupil leadership in school even more this year. Children in Year 6 have been invited to apply to become prefects and have all been given information about their roles and responsibilities today and we will send details about becoming an Eco-Councillor next week.

And finally, I know you will all want to join me to wish Mrs Latham the very best of luck as she starts her maternity leave today. We will all miss you and can't wait to meet the new baby Latham very soon.

Best wishes
Miss Arrowsmith

SENDCo

Hello from our SENDCo!

My name is Miss Perry and I am delighted to be taking up the role of Special Educational Needs and Disabilities Coordinator at Green Meadow. Many of you may already know me from my role as a class teacher and work with Mrs Cross to support SEN last year. I am very much looking forward to working closely with you to support children with additional needs and enable them to achieve the best outcomes whilst at Green Meadow.

If you have any questions at all about your child's development or special educational needs at school, please do not hesitate to get in touch via the school office. I am in school on Monday - Wednesday and will often be on the playground at the start and end of the school day.

Monday 17th October @ 9.00am

SEN Information Report Coffee Morning - parent and carers welcome.

All schools are required to post on their website an SEN Information Report. The Information Report must include information for identifying, assessing and making provision for pupils with SEN and for the admission of disabled pupils. The requirements are set out in legislation (the Special Educational Needs and Disability Regulations 2014).

We wish to invite you to join us to help shape our SEN Information Report 2022 here at Green Meadow. If you have a child with special educational needs or are interested in finding out more about our SEN provision here at Green Meadow, please do join us for this session. Your input as a parent/ carer would be much appreciated. If you would be interested in joining us or have any questions, please speak to Miss Perry or email enquiry@greenmeadow.excelsiormat.org.

CURRENT RECEPTION PARENTS / CARERS

School Photos

The photographer will be in school next Friday, 23rd September 2022, to take photographs of all of the children. Please remember to send your child to school in full uniform in the morning.

Bags 2 School

Please remember to bring bags 2 school by 9.00am on Thursday 22nd September if you would like to support the Green Meadow FOGM (Friend of Green Meadow) raising funds for school.

TOPICS

All of the children will start their topics next week. Teachers have sent home topic letters to outline this term's learning and Knowledge Organisers with lots of great ideas for home learning on. You can also find a copies of these on the year group pages on the website.
