

Week Ending:  
Friday 29th April 2022

@Green\_MeadowPS

Dear Parents,  
I hope you all had a wonderful holiday. It's been lovely welcoming the children back to school this week and we have all been extremely impressed with how quickly they have settled back into school and how focussed on their learning they have been. I always love the summer term- there is the promise of better weather, it's the term where we see the children making even more progress before they move into their new groups and there are so many exciting events planned in before the end of the year, including swimming lessons for Year 5 and 6 children, sports days, trips for all of the year groups who haven't yet been on one and class assemblies. Keep an eye out for more information about these over the next couple of weeks.

This term, we would like to get as many children as possible walking, riding or scooting to school. This is a good way to get the day off to a good healthy start and it also helps alleviate congestion around the entrances to school as well as reducing pollution. Now that the better weather is here, let's see if we can get as many children as possible arriving to school on foot or on wheels.

A number of our clubs start next week with more to follow soon. Thank you to all of you who requested places at one of these. You will receive confirmation of your places later today.

And finally, thank you to the Friends of Green Meadow PTA for organising such a wonderful Easter disco for us on the last day of term. It was great to see so many families enjoying themselves. The second of the discos takes place next Friday. We can't wait to join in with the fun.

Have a great long weekend!

Miss Arrowsmith

# British Values

At Green Meadow, we are committed to teaching British Values to our children to prepare them to be successful citizens who thrive in a modern and diverse Britain. Children learn about these and develop their understanding of British Values (Democracy, Rule of law, Individual liberty, Mutual respect and Tolerance) in all aspects of school life, through PSHE lessons, assemblies and the wider curriculum. We are excited to announce that we are launching our 'Celebrating British Values' awards next week to celebrate children's preparation for life in modern Britain. Children from years 3 – 6 will be able to achieve bronze, silver, and gold standard within this award. Work can be done both in school and at home to help towards achieving this award as they demonstrate each of the values in different ways (examples of tasks and activities are detailed in the booklet which will be sent to you separately). Class teachers will keep track of children's stamps and achievements as they move through KS2. We hope you and your children are all as excited to start the award as we are in school. This term we will be focusing on the British value of 'Mutual respect and tolerance'.

This year is Platinum Jubilee year and marks the 70th year of the Queen's reign. We will be celebrating this in a variety of ways throughout the week beginning 23rd May.

Friday 27th May will be Jubilee Day where we will invite all children to wear red, white and blue for the day and take part in a celebratory Jubilee Picnic.
