

# Year 5 Curriculum Letter

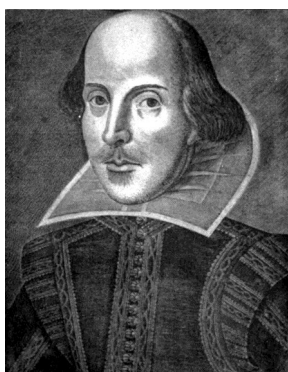

Dear Parents and Carers,

What a brilliant start to the year it has been in Mars and Saturn. The children have been quick to settle and focus on their learning. Well done, everyone!

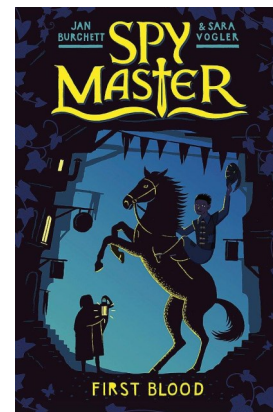

Our topic this term is 'Tudor Tales' which is a cross-curricular history topic. During the topic, we will find out about the Tudor monarchs, with a focus on Henry VIII and what life was like in Tudor times.

Throughout the term, our writing will be based on what we learn about the Tudors. We will also study Macbeth, the Shakespearean play.

Our class reading book this half term is Spy Master by Jan Burchett. We will be developing our skills in inference, prediction, and summarising and unpicking the author's use of language.

## Home Learning in Year 5

Spending a little time each day supporting your child with home learning can really make a difference as well as making sure they build on the learning they have done in school each day.

During the Autumn Term, weekly home learning will include spellings, reading for between 10—15 minutes each night as well as completing a Mathematics challenge which we will set.

In addition to this, throughout the term, we will ask children to get creative and complete pieces of topic-based home learning.

PE - Monday and Tuesday

Please remind your child to have their PE kit with them.

Art— Tuesday

Please remind your child to have their old shirt with them.

Home learning will be set on a Friday. A paper copy will be sent home and home learning can also be found on Teams.
