Dear Parents,

Today is report day! All children will bring their school reports from their class teachers home today - please double check your child's school bag if you don't receive yours. The reports will provide you with an overview of your child's achievements this year and there really is so much to celebrate. We received the KS2 SAT results this week which we had been eagerly awaiting as we already had end of year data for the Reception classes, the Year 1 phonics screening tests, the KS1 SATs results and the Year 4 multiplication check. We are all incredibly proud of the results across school and can share with you that not only are most of the results considerably higher than national results this year, a lot of them are also in line with or above the results achieved nationally in 2019, before all of the disruption caused by the pandemic. This is testament to all of the hard work teachers, children and parents have been doing to ensure that all of our children are supported to be the very best they can be - it is wonderful to know that after two years of disrupted learning, that our children are achieving incredible things in all areas of school life. Yet another great example of our four cornerstones of Succeeding Together, Ensuring Equality for All, Engaging Learning and Aspiring from the Start.

It's been a week with a distinct sporting theme which got off to a flying start when a group of children from Year 5 attended King Edward VI school to take part in an amazing workshop celebrating the Commonwealth Games. They had a whale of a time taking part in a range of activities from learning the Haka to drumming and playing golf and hockey. They even met Perry, the mascot for the games, as well as gold medallist, Galal Yafai. A huge thank you to Mr Brooks and Mrs White for accompanying the children on this incredible experience and to Mr Latham for making it all possible. The children were all positively buzzing when they returned to school and couldn't wait to share the highlights!

The Sports Days for KS1 and KS2 were brilliant and made even more special this year by the number of parents, friends and families who came along to support the children. Hearing the cheers as the children walked out onto the field waving their flags from different countries within the Commonwealth was wonderful and the atmosphere was amazing. The weather behaved too in the end! The children thoroughly enjoyed taking part, proudly showing off their skills in all of the events and I'm sure you'll all agree with me when I say that they demonstrated the excellent sporting behaviour we promote in school. Well done, everyone! You are all Sports Day stars! All of our houses amassed a huge number of points, with the overall winners for KS1 being Claire Balding and J K Rowling for KS2! Thank you for supporting the children (and the teachers!) in all of the races. Thank you too for joining in with all of the fun so enthusiastically - we managed to do one of the best Mexican waves I have ever seen in school!

Have a great weekend, everyone and enjoy this gorgeous weather.

Best wishes,

Miss Arrowsmith

SPORTS DAY

Well done to everyone for the most fantastic Sports Days this week! It was amazing to have so many friends and families of Green Meadow attending and we all enjoyed a great morning of fun together. Thank you to Mr and Mrs Latham and Mr Brookes for the great organisation and to all the staff for practising the races in the build up to Sports Day. Thanks also to the Friends of Green Meadow for providing refreshments during Sports Day and the well-deserved ice lollies for every child after the event!

Household Support Fund

Summer 2022 Scheme

The Household Support Fund (HSF) hardship grants summer scheme is now open for applications from eligible households across Birmingham.

Help for Birmingham households experiencing financial hardship has been developed as part of Birmingham's wider Household Support Fund programme. This follows an announcement by the Government in March 2022 concerning additional government short term grant funding being made available for the fund until September 2022.

What support is available?

A one-off hardship grant payment of up to £200.00 is being made available to help eligible households across three groups (households with children under 18, households of working age adults and households of pensionable age adults) who are experiencing financial hardship. **The fund is intended to support households to cover essentials such as food and energy (gas, electricity, and water) costs.**

Eligible households with children under 18 or of working age adults must be identified as experiencing hardship, and have confirmed their entitlement (e.g., in receipt or an application is in progress) to receive one or more of the following means tested benefits:

- Council Tax Support
- Housing Benefit
- Income-based Jobseeker's Allowance (JSA)
- Income-related Employment and Support Allowance (ESA)
- Income Support
- Pension Credit
- Social Funds (Cold Weather Payment, Funeral Payment, Sure Start Maternity Grant)
- Tax Credits (Child Tax Credit, Working Tax Credit)
- Universal Credit

Please note, households identified as having No Recourse to Public Funds are entitled to apply to this scheme for support.

If you have previously applied to receive a hardship grant funded by the Household Support Fund winter scheme you are able to apply for a grant from the summer scheme, provided your household is identified as eligible within the criteria listed above.

How are grants paid?

In most circumstances, successful grant awards are paid via BACS into the applicant's bank account within 7 working days. All BACS payments are made directly by BVSC (Birmingham Voluntary Service Council, as the scheme's financial administrator).

How do I apply?

In order to apply for a hardship grant you must contact the school office and ask to speak to Mrs Cross, who will complete an eligibility assessment and, once confirmed, will submit an application on your behalf.

Staying safe the SMART way online

S

SAFE

Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

M

MEETING

Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A

ACCEPTING

Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R

RELIABLE

Information you find on the internet may not be true, or someone online may be lying about who they are.

T

TELL

Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
